

Region 5 Championship Information

In order to compete at the USAG Region 5 Championship, what is often called the "Regional Meet", each gymnast must obtain a qualifying score AT their Ohio State Meet. They must also commit AT the State Meet as well. We realize this is a huge commitment. We would like you to be well informed and make your decision to compete *PRIOR* to the Ohio state meet. Emeth also needs your prior approval to charge your card on file for the regional entry fee immediately following their qualification. Emeth is required to pay AT the meet for all gymnasts. **In other words, by telling your gymnasts coach at State Championship that you WILL compete at regionals you grant us permission to charge your card on file immediately.** Taking time now to consider travel time, location, date, and fees will prepare you to KNOW your decision at the State Championship meet and eliminate the need for a quick decision. Please see your level below for specific level information and qualifying score requirements.

GIRLS
