

LLAMA TEAM LEADERSHIP

An Emeth Kingdom Program

Year Three

Your first two years of Llama Team have been spent training in principles and practices that we believe will help you become a great leader in God's eyes. We have worked to provide you with good teaching, and good opportunities to train and work out what you are learning through involvement in League coaching.

We are confident that what you have learned will benefit you in many areas of your life! Year Three of Llama Team will continue to explore and deepen your understanding of leadership (that will benefit any part of your life), however, it also begins to focus even more heavily on skills that apply specifically to Emeth and coaching here. Because of this, we do not recommend Year Three, unless you are seriously considering coaching at Emeth for the next few years.

How will we do it?

As you move into Year Three of Llama Team, we will again ask you to invest to a higher commitment level. The more influence you carry, the more responsibility you have to use it well.

"Much will be required of everyone who has been given much. Even more will be asked of the person who is supposed to take care of much." - Luke 12:48

Year Three will focus on:

- ❖ Mentoring / Leading Leaders
- ❖ Deeper Truth - Bible Study
- ❖ Skill Growth - Higher level of expertise in teaching & spotting
- ❖ Intentionals - Teaching your own class (with accountability)

We will continue to spend time learning and applying our principles and practices.

You will also be given more responsibility during Year Three.

- ★ Placing all new league athletes in appropriate levels on each event
- ★ Placing League students with team captains
- ★ Evaluating all League students for levels
- ★ Keeping track of the levels of all league students on each event
- ★ Managing scorekeeping and awards for all meets
- ★ MCing meets, rotations, awards for meets
